

Welcome to the YMCA Extended Day Family!

We are excited that you have chosen us to be a part of your family. Providing care and education to your child(ren) is very important to us. We have locations at Rising Stars Vine, Dater Montessori, Pleasant Ridge Montessori, School for Creative and Performing Arts and hopefully by fall Gamble Montessori Elementary. Our program focuses on Social-Emotional growth through mindfulness and play. Our programs include, homework help (as needed), Yoga, Mindfulness, STEAM, literacy and reading, Art and of course fun!

The registration packets are available via email, and will be at each school the first week. Extended Day programming will start **Monday, August 19th for all sites EXCEPT Rising Stars Vine which will start on Wednesday August 21st**. Representatives from the YMCA will be on site at each school registering children on Wednesday – Friday August 14th – 16th. If you would like an application emailed to you please email Dr. King at CKing@myy.org or your identified Site Administrator.

The registration packet must have all fields completed and the medical form will need to be completed by the physician's office (Preschool only). If your child has any medical conditions, allergies (food or other), or dietary restrictions, other forms will need to be completed. Make sure to let the Director/Site Administrator know if you need these.

A registration fee of \$30 per child, or \$50 per family and the first weeks payment is due prior to or on the first day of care. Program fees vary by site. Payments are due on Friday for the upcoming week. We encourage all families to do payments by EFT or Direct Debit. We can take credit/debit cards, or set up payments from bank accounts to automatically draft on the due date each week, bi-weekly, or monthly. A form for your convenience is also in the packet.

If you have child care vouchers through HCJFS, you will need to make sure your child has been connected to our program so that you can utilize the TAP system on the first day. The web address to make the connection is: <https://www.hcifs.org/services/child-care-parents-caregivers/add-or-change-your-childs-daycare-provider/child-care-connection/> If you have your letter from HCJFS indicating your effective dates and fee, please provide that as well so we can make sure your subsidy is entered into your account properly and timely.

If you have any questions about our program or any of the forms, please do not hesitate to ask. We are here to help you in any way we can.

Thank you and once again, Welcome!

Carrie S. G. King, PhD
